You may apply through the EU CV Online system⁴.

To be able to apply online via the EU CV online database, candidates must first create an account or sign in to an existing account. If not done already, candidates must first fill in the electronic CV. Applications shall be made in English. Once the CV is completed, candidates may choose and apply to the call of interest of their choice. Candidates are advised to fill out all relevant fields of the application. All technical questions concerning EU CV online must be sent through the Contact page of EU CV online.

Before applying, you should carefully check whether you meet all the eligibility criteria.

It is your responsibility to complete your online registration in time. We strongly advise you not to wait until the last few days before applying, since heavy internet traffic or a problem with the internet connection could lead to your online registration being interrupted before you complete it, thereby obliging you to repeat the whole process. Once the deadline has passed, you will no longer be able to register.

No supporting documents are required at this stage – these will be required later from candidates invited to interview (see section 5.3).

On completion of your online registration, you will receive on screen a registration number, which you must note. Once you receive this number, the registration process is finished. This will be your reference number in all matters concerning your application. If you do not receive a number, your application has not been registered!

⁴ EU CV Online is the tool used by the European Commission for recruitment of staff on temporary basis.

An acknowledgement of your application will be sent to the e-mail address indicated in your application. It is your responsibility to verify that you provide the correct e-mail address.

All subsequent communication between the Commission and you will be by post. In this case, you must enclose with your application a certificate attesting your disability, issued by a recognised body.
