Single Resolution Board stakeholders outreach survey

Participation in the SRB stakeholders outreach survey is voluntary.

The survey is conducted by the Communications Unit.

The responses to the survey are collected and processed for getting information and feedback on the SRB communication activities.

The Communications Unit uses the EUSurvey tool to conduct the survey. The link to the survey is sent to all participants via the email address SRB-INFO@srb.europa.eu

The survey is intended to be anonymous and all efforts have been made to ensure anonymity. The responses to the survey are automatically anonymized and aggregated in a manner neither allowing for the identification of individual respondents nor for the attribution of individual responses to a respondent. The Communications Unit has no access to your individual responses and will not be able to identify the respondent.

Responses in the open-space fields should therefore be formulated in such a way that no information permitting identification of the respondent or another person is introduced.

Recipients of the survey results will be dedicated staff members from the Communications Team.

The anonymized and aggregated data will be kept for a maximum period of one year after the closure of the survey.

If you have questions regarding the survey details, please contact the Communications Unit by sending an e-mail to SRB-INFO@srb.europa.eu
