

Valuation

The objective of the SRB Framework for Valuation is to provide independent valuers and the general public with an indication of the SRB's expectations regarding the principles and methodologies for valuation reports as set out in the legal framework.

Valuation 1

Determines whether the conditions for resolution, or the write-down or conversion of capital instruments, are met

Valuation 2

Supports the choice of resolution tools

- Bail-in
- Sale of business
- Bridge
- Asset separation

Valuation 3

Determines if shareholders and creditors would have received better treatment under normal insolvency proceedings
