

Slavka Eley

Position: Board Member

Organisation: Single Resolution Board

Ms. Slavka Eley has extensive experience in financial regulation and banking supervision. She joined the European Banking Authority in 2013, where she led the Supervisory Convergence Unit, overseeing the development of a common EU banking supervisory framework and fostering supervisory cooperation.

From 2018, she led the Head of Banking Markets, Innovation, and Products Unit, focusing on financial innovation, digital finance, the Capital Markets Union, and sustainable finance. Prior to her time at the EBA, Ms. Eley worked for over a decade at the National Bank of Slovakia, holding several management positions in banking supervision and policy development.

Most recently, she was part of the European Labour Authority, where she headed the Governance and Coordination Unit.

A Slovak national, Ms. Eley holds a Master's in Business Administration from the City University of Seattle and a Master's degree in Mathematics and Physics from Comenius University in Bratislava.
